TUSAT

**A CALL FOR TENDERS TO DEVELOP A BUSINESS
PLAN:**

- (1) The Namibian business community wishes to prepare a business plan for the establishment of a University of Science and Technology to be known as the **Tsumeb University of Science and Technology**. The plan will guide the setting up and running of the University for the next five to ten years. The plan will form and essential element of the institution's overall strategic direction and will be critical in achieving its short and long-term success.
- (2) A Steering Group composed of business leaders will be responsible for leading the development of the Plan supported by a consultant. Day to Day oversight will be provided to the Consultant by the Chief Executive Officer of the Namibia Chamber of Commerce and Industry, (NCCI).

The Terms of Reference document is intended to provide guidelines to the Consultant as he/she conducts the necessary review and analysis required to build the plan. The TOR provide overall context and some suggested structural and context parameters for the plan.

- (ii) **The TUSAT steering committee is calling for interested parties to indicate their willingness to compile a Business plan based on the Terms of Reference document within the next six (6) weeks.**

The closing date for the submission of the **tenders is April 18th, 2008**. All tenders are to be submitted by that time in, clearly marked enclosed envelope, clearly marked: **TUSAT tender at the NCCI/ Head Office, 2 Jenner Street, Windhoek-West.**

The Terms of Reference documents are available at the Tsumeb Municipality or the NCCI Head Office.
